Using accountability partners and blue book (or other resources you see fit), encourage partners to work through each habit for a week or two. One each set of partners reaches the goal, treat them to a little something special that represents the given habit.

Habit 2	Begin with End in Mind	Craft paper/frame for your mission statement	Continually reviewing, revamping , living by your mission statement
Habit 3	Put first things fist	Twix, Doublemint (Anything in pairs)	Work before play- they go together
Habit 4	Think Win-Win	Blue jeans for the day	What is the win-win for both parties?
Habit 5	Seek first to Understand then to be understood	Heart valentine candy, candy eyeballs, etc...	Use your eyes, ears, and heart to really listen to someone else
Habit 6	Synergize	M&Ms, pretzels, or Pretzel M&Ms	Together just may be better
Habit 7	Sharpen the Saw	7 Habits trail mix	Mix of healthy things that are balanced like your emotional, physical, spiritual wellness
